

Binocular Loupes

CLM-J(S) Sports Frame

- HD resolution optics help relieve eye fatigue and protect your eyes.
- Unique design of connecting part provides better declination angles that can effectively relieve neck pain.
- The sports frame system provides a better solution for prescription eyeglass wearers. Comparing with inner frame glasses, the glass with 0-8 diopters can offer boarder vision.

SKU No.	Magnification	Field of View	Field of Depth	Working Distance
CLM2.5X-420J(S)	2.5X	11 cm/4.3"	17cm/6.7"	42cm/16"
CLM2.5X-520J(S)	2.5X	12 cm/4.7"	15cm/5.9"	52cm/20"
CLM3.0X-420J(S)	3.0X	9 cm/3.5"	12cm/4.7"	42cm/16"
CLM3.5X-420J(S)	3.5X	7 cm/2.7"	10cm/3.9"	42cm/16"

Binocular Loupes

CLM-JT Lightweight Titanium Frame

- High-class optical lens provide better vision
- Flexibility for precise adjustment of pupillary distance
- Super lightweight and comfortable (57g including frame)
- Customized myopia glasses for prescription eyeglass wearers

CLM3.5X-420K	3.5X	7 cm/2.7"	10cm/3.9"	42cm/16"

Portable LED Headlight

CLED-C2/K2

- One of the smallest and lightest LED headlamps
- Adjustable brightness of 10 levels
- Provide light for 6 hours at highest intensity
- Optimal color rendering reduces eye strain
- Rechargeable, replaceable Li-Ion battery

Specifications

Light Intensity	30,000 Lux @ 34cm 21,000 Lux @ 42cm	Est. Battery Life	6 hours @ highest intensity 48 hours @ lowest intensity
Brightness Level	10 Levels	Charge Time	3-4 hours
Spot Size	∅ 9cm@42cm	Battery Type	Rechargeable Lithium Ion
Color Temp	5700 K	battery Capacity	6000mAh
Lamp Life	50,000 hours	Power back Weight	180g
Lamp Weight	12.9g	Lamp Material	Aluminum

Wireless headlight with loupes

DY006 + DY106

- Wireless headlight makes work more convenient
- Adjustable brightness and spot size
- Provide light for 2 - 3 hours at highest intensity
- Optimal color rendering reduces eye strain
- Rechargeable, replaceable Li-Ion battery

Specifications

Light Intensity	40,000 Lux @ 20cm	Est. Battery Life	2 - 3 hours
Spot Size	∅ 1 - 9cm	Battery Type	Rechargeable Lithium Ion
Color Temp	5700 K	battery Capacity	1600mAh
Lamp Life	20,000 hours	Charge Time	3 hours
